

ELECTION IN CAROLINA

The State Gives the Democratic Ticket Fifty Thousand.

RURAL REPUBLICAN GAINS

Election in Eighth and Tenth Districts Close, With No Returns to Indicate Result.

(Special to The Times-Dispatch.)
RALEIGH, N. C., November 8.—Raleigh and Wake county give a Democratic majority of about 2,000 in State and county tickets, as compared with 2,500 last election. The vote for President shows Republican gains in rural districts, many voting State Democratic and national Republican tickets.

Returns from State very meagre as yet, vote evidently light in east and middle sections, nothing as yet to show results of congressional fight in Eighth and Tenth Districts, where election is closest.

Davidson County Safe.

LEXINGTON, N. C., November 8.—Davidson county is safely Democratic. All county officers and members of Legislature elected by majority of about 400.

Lenoir Democratic.

KINSTON, N. C., November 8.—Lenoir county will give entire Democratic ticket from 700 to 900 majority. Republicans made strong fight, but were shown under. It is estimated from advices from Raleigh, that State will go forty-five to fifty thousand majority, Democratic.

Democrats Win.

WILMINGTON, N. C., November 8.—Reports from Brunswick county indicate the election of the full Democratic ticket. Impossible to get definite returns tonight.

Reports received here to-night give the Republicans 500 majority in Sampson county.

Winston fell behind his ticket by nearly 500 votes. Empire for the Senate, and Boney for the House, received the full Democratic vote, as did Patterson for Congress. There was no opposition to the Democratic county ticket. The vote here was the lightest on record.

The election passed off very quietly in New Hanover county. Full returns show a total vote of 1,200, which is only 40 per cent. of the registered vote of the county. All the Democratic tickets received a big majority. Parker carried the county by nearly 1,200 majority. Glenn, for Governor, received over 1,200 plurality over Harris.

Mecklenburg and Charlotte.

CHARLOTTE, N. C., November 8.—Mecklenburg county, of which Charlotte is the county seat, has given the Democratic candidates, national, State and county, 2,500 majority. The election was quiet, there being no disturbance.

Wilson County, N. C.

WILSON, N. C., November 8.—The Democratic State and national ticket has a big majority in Wilson county. Everything passed off amicably.

Newland Probably Elected.

SALISBURY, N. C., November 8.—Rowan county is safe for the Democrats. The congressional situation between Newland and Blackburn in the Eighth District is conceded as very close, with Newland probably ahead.

REPUBLICAN GAINS.

Alamance Is Democratic, But Elects Republican Sheriff.

(Special to The Times-Dispatch.)
RALEIGH, N. C., November 8.—Returns from the State are being received in Raleigh very slowly, compared with several elections past. Democratic State Chairman Simmons said at night that he is confident that Democratic majority in the State will be 45,000 to 50,000, and that a solid Democratic delegation will be sent to Congress. He says that several counties in the east, that were being claimed by Republicans have been heard from and show safe justice for Democrats. For instance, Rockingham was being claimed for Republicans, and it reports 800 Democratic majority.

Four years ago, however, the Democratic majority was 1,500. Alamance county was in the doubtful list, and returns show that it is Democratic by 150 on general ticket, but elects a Republican sheriff.

The congressional fight is considered close in only two districts, the Eighth and the Tenth. The only news at all from the Tenth (the extreme western district) at this hour is that Transylvania has gone Democratic. It is generally Republican by good majority. The change in Transylvania would indicate that Guder, Democrat, had defeated Ewart, Republican, in the Eighth.

Caldwell county, the home of Newland, Democratic candidate for Congress, has gone Republican by a small majority. It has been Republican heretofore. Irrell and Rowan are reported Democratic. The district is still in much doubt, and Republicans claim Spencer. Blackburn has defeated Newland.

In Raleigh and Wake county, there is a majority of probably 2,000 for Democrats. The vote for presidential electors in Raleigh was 1,250 Democratic, and 1,240 Republican, and for Governor Glenn, 1,234; Harris, 150.

This indicates a decided lead for Roosevelt.

Carried the House.
(By Associated Press.)
WASHINGTON, D. C., Nov. 8.—Chairman Cowherd, of the Democratic Congressional Campaign Committee, at 11 o'clock, said:

"We concede that the Republican Roosevelt landslide has carried the House of Representatives for the Republicans by a majority at least as large as that by which they now hold control."

Danville City.

DANVILLE, VA., November 8.—Official vote for Danville, Va.: Parker, 816; Roosevelt, 101; Swanson (Democrat), 820; Stovall (Republican), 81.

DANVILLE, VA., November 8.—Congressman Swanson will be elected to succeed himself in the district by a majority of 3,000 over his opponent, J. B. Stovall. Parker's majority in the district will run behind that of Mr. Swanson. The vote is a tie in Grayson. All except 11 precincts in Patrick county gave a majority of 411 to the Democratic ticket.
